Tip #4

February, 2012

WorldCat.org allows you to search the collections of libraries in your community and thousands more around the world. WorldCat grows every day thanks to the efforts of librarians and other information professionals.

WorldCat lets you:

- ▶ Search many libraries at once for an item and then locate it in a library nearby.
- ▶ Find books, music, and videos to check out.
- ▶ Find research articles and digital items (like audiobooks) that can be directly viewed or downloaded.
- ▶ Post your review of an item, or contribute factual information about it.

- ▶ Books and materials on WorldCat can be sent to Napa Valley College through Inter-Library Loan (ILL). Consult with a NVC librarian for more information!
